Ms. Farfan:

I am writing to you on behalf of the **Port Ludlow Village Council** for which I serve as President. We are deeply concerned about the current Iron Mountain mining proposal for the acreage surrounding the Port Ludlow golf course and Master Planned Development as it will affect our aquifers, our quality of life and our property values. The PLVC is strongly opposed to allowing the proposed mining to go forward in this area.

I am requesting that the **Port Ludlow Village Council** become a party of record as it relates to the Iron Mountain Appeal before this Friday, March 14<sup>th</sup>. In addition, we will be represented at the hearing by Dave Armitage, Chairman of our Community Development Committee.

Sincerely,

Lynn M. Gauché
